Franklin Dock will have the flexibility to move funding between projects but cannot exceed $143,500 for FY16 (July 1, 2015-June 30, 2016).

For Franklin Dock to obtain reimbursements CBJ will require the submission of project cost reports, draw requests, and CBJ may also request copies of documents for compliance verification, depending on the project. The information submitted for each grant draw should include the following:

- Project description (Example: Restrooms)
- Date of the expense (must be between July 1, 2015 and June 30, 2016)

- Total amount of reimbursement requested
