Affordable Housing

- The Housing Act of 1937 established that more than 30% of income devoted to housing costs is the threshold until a household is “burdened”.

- State and Federal Housing Programs define housing affordability in terms of percentage of percentage of income in the 0%-80% AMI range. (Public and Indian housing, special needs, homeless, low-income tax credit, vouchers and rental assistance targets)
Workforce Housing

Workforce Housing can refer to any form of housing, most likely including one or more of the following targets:

- Income target above the traditional HUD programs 80% to 120%;
- Location in or near employment centers (downtown)
- Focus on certain occupations (fire, police, teachers)
- Employer-assisted housing for staff, seasonal employees
CBJ 2020 Assembly Goals

- Prioritize Housing Action Plan strategies
- Approve and implement Affordable Housing Fund distribution plan
- Develop downtown housing incentives including tax abatement
- Focus on developing workforce housing
- Develop incentives to encourage long-term rentals over short-term rentals
CBJ Housing Action Plan Update

Housing Action Plan
City and Borough of Juneau

Prepared for and Under the Direction of the City and Borough of Juneau, Alaska – Community Development Department. Adopted by Resolution 2016, December 19, 2016

Download the complete Housing Action Plan >

Housing Action Plan – January 2019 Update

At the February 4th, 2019 Committee of the Whole meeting a two-year update on the Housing Action Plan was provided for the Assembly.

- Memo (02.04.2019)
- Housing Action Plan Strategies Update

If you have questions about the details of the Housing Action Plan, please contact Chief Housing Officer Scott Ciambor at scott.ciambor@Juneau.org or (907) 586-0220.

Housing Action Plan – Background

The Housing Action Plan was adopted by resolution on December 19, 2016.

The Housing Action Plan includes 66 strategies and lists an overall goal of developing 1,980 newly constructed units for all-housing types by the 30-year mark. (66 annual)

The Plan identifies four key actions that must take place to meet this goal.
Housing Action Plan Overall Goals

- Juneau needs a comprehensive housing strategy to deal with a shortage of housing supply, limited housing choice, and high cost burdens.
- CBJ needs to spend its own resources, uphold policies that promote and encourage housing development, create housing opportunity, and streamline permitting.
- Housing Action Plan includes 66 strategies and notes a conservative production goal of adding 1,980 units over 30 years. (66 annually)
- The Plan recommends a goal of preserving 750 existing units.
Develop Neighborhood Plans

- Identify and prioritize areas for neighborhood plans
- Use plans to identify housing development opportunities
- Develop housing targets for each subarea
- Encourage mixed income housing
Bid to Purchase or Lease Land in the Vintage Business Park & Proposal for the Development and Operation of a Senior Assisted Living Housing and Care Community

The City and Borough of Juneau has released a sealed competitive bid packet for the recently acquired property in the Vintage Business Park to attract a senior assisted living housing and memory care project developer. The intent is to meet long-standing community and senior housing goals noted in the Juneau Senior Housing and Services Market Demand Study and the CBJ Housing Action Plan.

Key Dates:

- **Site Visit and Briefing**: Tuesday, October 15, 2019 10AM (Vintage Blvd. Juneau, Alaska 99801)
- **Last Day for Inquiries**: Tuesday, November 5, 2019
- **Sealed Bid Form, Proposals, and Registration Fee**: Thursday, November 21, 2019 prior to 2:00PM Alaska Time

**Press Release:** [CBJ looking for an assisted living developer for Vintage Park property](#)

All inquiries about the bid proposal process should be made via e-mail and directed to: Scott Ciambor, Chief Housing Officer (scott.ciambor@juneau.org) no later than **Tuesday, November 5, 2019.**
Senior Assisted Living at Vintage Park

- 2014 Senior Study noted assisted living as primary need
- Costs would necessitate a private/public partnership
  - Purchased land
  - Tax abatement for assisted living
  - $2 million grant
- Sealed Competitive Bid process
- Land Sale and Grant Agreements in development

- On July 19, 2010, the CBJ Assembly passed Ordinance 2010-11(G)(b) that created the Juneau Affordable Housing Fund.

- **Primary Purpose** is to direct resources toward the creation of affordable and workforce housing units through the following activities:
  - Funding capital costs of rental and ownership housing;
  - Funding for capacity-building activities of non-profit housing developers;
  - Funding supportive services for occupants of affordable housing; and
  - Funding operating expenses of housing developments.

*Note: Funding for the CBJ Accessory Apartment Grant Incentive ($96K through FY23) and the CBJ Mobile Home Loan Down Payment Assistance Program ($100K revolving loan) are included.*
Downtown Housing Inventory and ARCGIS Story Map

1. What are the residential unit and population statistics within the study area?

There are currently 181 housing units within 33 buildings in the study area in addition to a 32-bed group quarters facility according to City & Borough of Juneau (CBJ) records. According to the 2010 U.S. Census, the downtown Juneau area has approximately 1.8 persons per household compared to 2.6 persons per household Borough-wide. Using the housing unit and persons per household figures above, plus an assumption that the Glory Hall group quarters facility is at capacity, the current estimated housed population of the study area is 358.

With 66 units, the Marine View Center contains more than a third of the housing units within the study area. In 2016, the 42-unit Gastineau Apartments were razed as a result of damage from a fire that occurred in 2012.

Among the 181 housing units, 11 are currently used as short term rentals.

2. Are the property owners local?
Tax Abatement for Housing

July 2019: Senior Assisted Living Tax Abatement Ordinance

April 2020: Lands Committee to review language for Downtown Housing Tax Abatement

Anchorage Downtown Tax Abatement Program Update (Jan. 2019)

Several applications were approved in 2019:
- Conversion of one floor in a 3-story commercial office building (9 units);
- New construction mixed-use apartment building (18 units); and
- New construction condos and townhomes, multi-year/multi-phase (24 units)

At least one new application expecting to use the incentive in 2020:
- New construction mixed-use hotel/apartment building (27 units)
Implementation Strategy for the 2016 Land Management Plan

“Create strategy for CBJ land disposal aimed at meeting housing goals.”
