1. Penalties for violating the JNU Airport Security rules may include all of the following **except**:
 - a. Transportation Security Administration (TSA) civil penalties
 - b. Federal Enforcement measures and prosecution
 - c. Fines by the State
 - d. Fines by the Airport

2. What security situation(s) should an individual report to Airport Security LEO?
 - a. Suspicious or unusual activity on the airfield
 - b. Security breach
 - c. Lost or stolen badge
 - d. All of the above

3. Which of the following is **true**?
 - a. A badge may be lent out to another employee as long as they are employed by the same company and have been given the same access.
 - b. An individual entering or exiting through a secured gate/door must ensure that the secured gate/door closes behind them prior to leaving the vicinity of the secured gate/door
 - c. An individual that provides escort to another individual(s) only needs to provide an escort through the secured gate/door and is no longer responsible for the escorted individual(s) once the secured gate/door closes
 - d. All of the above

4. What are “Challenge Procedures”?
 - a. Process by which an Airport badged-individual is required to approach, make contact or point out another individual who is not displaying appropriate airport-approved identification media in a secured or controlled area.
 - b. Process by which the Airport randomly questions JNU badged-individuals about security at the Airport (as a part of continuous security training)
 - c. Process by which a TSA agent randomly questions JNU badged-individuals on security at the Airport (as a part of continuous security training)
 - d. None of the above

5. What is required prior to obtaining a SIDA, Sterile, and/or Sterile-AOA badge at JNU?
 - a. Badge application form
 - b. Two forms of identification
 - c. Fingerprint criminal history records check or proof of a check
 - d. All of the above

6. What would you do if you found an individual in the SIDA, Sterile, or 135-AOA areas who is not displaying identification media?
 - a. Nothing; the above areas do not require identification media
 - b. Ask for their driver's license
 - c. Request that individual produce a valid JNU badge or credential
 - d. Let them board their aircraft; they are probably just a passenger

7. When you find an unauthorized, unescorted individual in the restricted area, what action should you take?
 - a. Challenge the individual
 - b. Escort the individual out of the restricted area
 - c. Notify the LEO (Airport Police)
 - d. All of the above

8. What quick reference(s) would you look for on a JNU badge or airline crew credential to ensure it is valid at the JNU Airport?
 - a. Picture, name, and company on the badge matches the individual
 - b. Expiration date is current
 - c. Badge type is correct for the location the individual is in
 - d. All of the above

9. What does an "EA" designation on a JNU badge mean?
 - a. Environmental Authority
 - b. Emergency Authority
 - c. Escort Authority
 - d. Emergency Aircraft response team

10. What does this picture represent at JNU?

- a. 135-AOA
- b. SIDA
- c. EA
- d. NDE

11. Referring to the correct answer in question #10: What does the acronym stand for?
- 135 Air Operations Area
 - Security Identification Display Area
 - Escort Area
 - No Direct Entry
12. What badge type(s) are allowed in the picture above (#10)
- 135-AOA
 - Sterile Area
 - SIDA
 - All of the above
13. Which statement about EA is *incorrect*?
- A person being escorted does not need to be within sight and sound of the badgeholder providing the escort
 - EA is required for escorting a new employee in the SIDA, Sterile, or 135-AOA area during their training period
 - EA badge designation is only required in the SIDA, Sterile, or 135-AOA areas
 - EA is required for escorting a contractor or vendor in the SIDA, Sterile, or 135-AOA areas
14. When walking on a ramp, you should:
- Walk behind parked aircraft
 - Use walk ways if available
 - Give way to all aircraft
 - All of the above
15. What should you do to increase your visibility on a ramp?
- Wear clothing which contrasts to the area
 - Wear reflective clothing
 - Stay in well-lit areas as much as possible
 - All of the above
16. Who can deny issuance of a JNU badge to an individual?
- The Airport (JNU)
 - The TSA
 - Both a. or b.
 - No one, badges are a right and not a privilege
17. Why must a lost or stolen badge be reported immediately?
- So the Airport can get the word out to find the badge
 - To prevent the possibility of an illegal entry by an unauthorized individual(s)
 - So you do not have to keep borrowing another individual's badge
 - All of the above

18. Which of the following statements is **true** regarding JNU Airport Security and identification /access media?
- a. Only the Federal Aviation Administration (FAA) can revoke badge privileges
 - b. The Airport may, upon direction of the TSA or FAA, limit or close access to portions of the airport and the airport perimeter at any time that it has been determined that heightened security warrants such action
 - c. Only the TSA can revoke badge privileges
 - d. The Airport will not revoke your badge if you lend it out

19. The following picture represents what area of the restricted area?

- a. SIDA
 - b. 135-AOA
 - c. Sterile Area
 - d. General Aviation
20. In reference to question 19: What type of badge(s) would be required to be in this area with unescorted access?
- a. SIDA
 - b. 135-AOA
 - c. GA
 - d. Both a. or b.
21. Which form(s) of ID media would be valid at the JNU Airport in the SIDA?
- a. Federal inspector credentials
 - b. Airline crew credentials
 - c. JNU SIDA badge
 - d. All of the above
22. Badge responsibilities include all of the following except:
- a. Ensure no one gains illegal entry into any restricted area, regardless of entering or exiting the restricted area
