Start Smart Sports is a six week, one hour per week instructional program that prepares children (through age 4) for the world of organized Sports without the threat of competition or the fear of getting hurt. **Children and the adult in their life** participate in each session. Each child will receive a T-shirt. Parents work with their child in a supportive environment to learn the basic skills: dribbling, kicking, throwing, hitting, catching and agility. Start Smart's goal is to develop a child's basic interest in Sports, to increase their self-confidence and to help them find success in sports, all of which can lead to a lifetime of continued fitness and health.
