

JOB ANNOUNCEMENT

PATROLLER I

\$11.50 - \$12.50 HOURLY (DOQ)

PATROLLER II

\$12.50 – \$13.50 HOURLY (DOQ)

EAGLECREST PART-TIME LIMITED POSITION

8 to 40 HOURS PER WEEK

EAGLECREST'S WINTER SEASON IS THRU APRIL 12, 2020

The Eaglecrest team is committed to providing excellent service and programs to our guests and a positive and upbeat working environment to our staff. If you are an enthusiastic, energetic individual who has strong interpersonal skills and enjoy being part of a team, we would be interested in hearing from you!

NOTE: The Patroller positions are flexibly staffed and the level at which the selected applicant is appointed will be based on the applicant's qualifications.

PATROLLER I RESPONSIBILITIES

This is the entry/trainee level class for this series. Incumbents, under immediate supervision, will learn the duties of the Ski Patroller by participating in training programs to become proficient in run hazard marking, primary medical care, patient extrication, toboggan handling, avalanche hazard reduction, lift evacuation, search and rescue services and maintaining a safe and fun work environment. Work is intended to provide specific instruction and feedback to familiarize the employee with the Eaglecrest Mountain, safety policies and procedures including avalanche hazard reduction routes and avalanche hazard reduction procedures. The Ski Patroller I will develop skills to patrol by themselves providing emergency medical care and would routinely have higher-level staff for assistance.

PATROLLER II RESPONSIBILITIES

This is the journey level in the series. Under supervision, incumbents perform ski patrol services for Eaglecrest guests. This position functions as a “team follower” on avalanche hazard reduction missions and has been trained to use controlled explosions to reduce avalanche risks. This position administers emergency medical care, extricates and transports injured guests and assists higher-level team members with more advanced injuries or rescues.

Positions in this classification family assist with or are assigned the following duties:

- Provides excellent guest services.
- Skis at an advanced/expert level.
- Trains in situational awareness, slope specific emergency medical care, hill safety, avalanche hazard reduction, and Eaglecrest operations.
- Learns and follows safety protocols for all ski patrol duties such as toboggan handling, avalanche hazard reduction including safe explosive handling procedures, lift evacuation, high/low angle rescue & search and rescue missions.
- Develops and maintains highly proficient skills in avalanche transceiver use and related avalanche rescue techniques.
- Assists with and administers emergency medical care, extrication and transport for injured guests.
- Learns and practices methods of managing risk that will assure that all runs are signed appropriately and hazard markings are maintained in accordance with the Alaska Ski Safety Act and educates the guests on Eaglecrest policies.
- Maintains avalanche closure lines and ensures their status is clearly marked.
- Maintains, repairs and keeps stocked all ski patrol rescue equipment, toboggans, gear caches and first aid room
- Completes incident report forms and assists with accident investigations.
- Assists with the collection and recording of weather and snowpack information.
- Performs other duties as assigned and special projects from time to time.
- Leads or supervises staff.
