Project#	Account #	Project Name	Amount	Temporary Funding Used	Borrowed Funds	Date	Funding Description	Project Description
	A50-079	Runway Rehab (local match)		olving Capital Reserve Account	T-951		AIP58 local match	
1	A50-079	Runway Rehab (local match)	\$32,849 Airport Construction Contingency Reserve		T-969		AIP60 local match	This project provides local match for two AIP grants (58 & 60) in the design and construction of the Runway 08/26 Rehabilitation.
	A50-079	Runway Rehab (local match)	\$24,423 Airport Fund Balance		2015-20(Q)(b)		AIP60 local match	
	A50-079	Runway Rehab (local match)	\$17,573 Airport Fund Balance		2015-20(AA)		AIP60 local match	
	A50-079	Runway Rehab (local match)	\$610,759 Sales Tax Transfer from A50-073 (Terminal Project)		T-955		AIP60 local match	
2	A50-080	Master Plan (local match)	\$23,438 Airport Rev	olving Capital Reserve Account	T-951	1/6/2014	AIP59 local match	This project provides local match to an AIP grant (59), and
	A50-080	Master Plan (local match)	\$37,789 Airport Fun	d Balance	2015-20(W)	10/20/2015	Additional project funds; non-match	additional non-match funding for a Sustainability Master Plan study.
3	A50-001-12	DHS Radio Grant Plan/Design	\$9,190 Project Design		n/a	n/a	Planning & Design	This project provides planning & design funds to upgrade communications on the airport.
	A50-087	Taxiway A Rehab Design/RIM	\$43,750 Airport Fund Balance		2016-09(J)	9/26/2016	AIP68 ALL match	This project provides local match to AIP Design and Construction
4	<u>FUTURE</u>	Taxiway A/RIM Design (match)	\$80,000	2017			Match anticipated AIP grant	grants (AIP68 & future grants) for the reconstruction of Taxiway A, and Runway Incursion Mitigation measures, including realignment
	<u>FUTURE</u>	Twy A/RIM Constr (match)	\$937,500	2019			Match anticipated AIP grant	of one or more taxiway intersections.
5	OPSAirfield	Alex Holden/Cargo Reconstruction	\$64,610 Airport Fun		n/a		ConstructionAccess road re-paving.	This project reconstructed the access road to cargo facilities.
_	A50-084	NE/NW Development Design (match)	\$27,126 Airport Fun		2015-20(K)(b)		AIP64 local match	This project provides local match to current and future AIP grants
6	A50-088	RSA 11NE/NW Apron constr(match)	\$20,105 Airport Fun		2016-09(K)	9/26/2016	AIP66 local match & contingency (\$190K)	to complete construction of NE/NW aprons that were started as
	<u>FUTURE</u>	RSA NE/NW (ph 12) Const Apron	\$675,000	2017			Match anticipated AIP grant	part of the RSA project.
7	A50-083	ARFF Building Mods Constr	\$50,000 Airport Fun	d Balance	2016-09(B)	8/1/2016	AIP65 local match & contingency (\$14K)	This project provides local match (AIP65) and construction funds to expand the ARFF station. The expansion is required to accommodate the new 3,000gal truck for operating at Index C.
8	A50-086	SREF/Geothermal (local match)	\$72,250 Sales Tax		n/a	n/a	AIP67 local match	This project provides local match to an AIP grant (67) to construct a Snow Removal Equipment Facility (SREF).
9	A50-073-04	ADA Passenger Ramp	\$1,997 Terminal Projectsales tax				AIP61 local match	This project provides local match for an AIP(61) grant to purchase an ADA wheelchair loading ramp.
	Δ50-073 & 085	Terminal Infrastructure \$193,500 Terminal Projectsales tax					This project renovates the first floor Toilet Rooms and upgrades	
	A50-073 & 085 Terminal Infrastructure		\$195,500 Terrillial Project:sales tax					main Stairway Lighting/Flooring to address safety issues
10			4					This project includes design and construction funding in
	<u>FUTURE</u>	Terminal Renovation Phase II	\$4,853,667	2018				conjunction with local and AIP funds to renovate eligible spaces in
-								the terminal building. This project provides shared use podium and PBB local match to
	A50-073 & 085	Terminal Infrastructure gates	\$27,452 Terminal Projectsales tax					Gate 5.
11								This project provides shared use podium and anticipated PBB local
	<u>FUTURE</u>	Gate 2 Jetbridge (match)	\$125,000	2017			Match anticipated AIP grant	match at Gate 2.
12	Terminal Ops	Terminal Camera/cabling	\$49,600					This project upgrades the security surveillance infrastructure on the airport.
-								This project provides match to replace the outlet structure for
13	FUTURE	Float Pond Repair	\$31,250	2017			Match anticipated AIP grant	flood control and raises the south road to prevent embankment
								erosion
14	Airfield Ops	Cell Phone Parking/waiting Lot	\$23,900	2015			Airport Fund Balance	This project provides funding for the construction of the cell phone parking/waiting lot.
								This project provides local match to AIP grants for environmental,
15	<u>FUTURE</u>	EVAR Construction	\$31,250	2019			Match anticipated AIP grant	deisgn and construction for a portion of the Emergency Vehcile Access Road.
16	FUTURE	SREF Sand/Chem Bdg design(match)	\$37,500	2019			Match anticipated AIP grant	This project provides local match to anticipated AIP grants to
16	FUTURE	SREF Sand/Chem Bdg Const(mat)	\$625,000	2020			Match anticipated AIP grant	Design and Construct a SREF sand and chemical building.
17	FUTURE	Snow Removal Equip (match)	\$312,500	2019			Match anticipated AIP grant	This project provides local match to anticipated AIP grants to acquire snow removal equipment.
								This project provides local match to anticipated to AIP grant to
18	FUTURE	North RSA grade (match)	\$206,250	2019			Match anticipated AIP grant	design/construct north runway safety area to correct grade to RSA
<u></u>								standards; including surrounding NAVAID equipment.
19	FUTURE	Terminal Area (121) Apron	\$218,750	2021			Match anticipated AIP grant	This project provides local match to anticipated AIP grants to
		Rehabilitation (425)	+-20,.00				9.4.1.	rehabilitate the Part 121 Terminal Apron.
20	<u>FUTURE</u>	Terminal Area (135) Apron Rehabilitation	\$375,000	2021			Match anticipated AIP grant	This project provides local match to anticipated AIP grants to rehabilitate the Part 135 Terminal Apron.
