INFORMATION RELEASE

Subject: Assault 1st degree

Date: 6/20/2007

From: Sgt David Campbell

Case or Incident #: 2007-020331

Summary:

On 06/20/2007, at approximately 4:14 am, the Juneau Police Department received a report from the Bartlett Regional Hospital that a man was at the emergency room with a stab wound to his abdomen. Officers arrived and contacted the victim, a 39 year old Juneau male resident. The stab wound to the victim's abdomen was determined to be a critical injury as the victim's liver had been penetrated. The victim provided limited information before undergoing surgery. The surgery was successful and the male should recover from the injury.

Officers determined that the injury was sustained at a residence on the 8400 block of Nugget Drive. Three people were interviewed at the residence and denied any knowledge of how the victim was injured.

Alcohol was involved with all participants of this incident. There was no domestic relationship between the victim and those interviewed at the residence.

On 06/20/2007, at approximately 3:30 pm, JPD investigators served a search warrant at the residence on Nugget Drive.

The investigation continues and anyone with direct information concerning this incident should contact the Juneau Police immediately.

Any charges reported in this press release are merely accusations and the defendants are presumed innocent unless and until proven guilty.
