INFORMATION RELEASE

Subject: All Hazards Awareness Training Date: March 27, 2009

From: Captain Jerry A. Nankervis Case or Incident: N/A

Summary:

The City and Borough of Juneau and the Juneau Local Emergency Planning Committee would like to extend an invitation to members of our community to attend the WMD/All Hazards Community Partnership Training Conference that will be offered on Saturday, April 11, 2009 at Centennial Hall.

Sponsored by the National Sheriffs' Association and hosted by Don Driskill, this conference will be held from 8 AM to 4 PM and will include refreshments. This unique training opportunity is designed to educate the community on how best to prepare and respond to a disaster should emergency responders become overwhelmed. Hurricane Katrina taught us that citizens may be left to cope with a crisis on their own for the first few hours or even longer. This training includes:

- How to create a Family Disaster Plan
- What to include in a Family Disaster Kit
- Developing a Community Resource Database
- Crisis Response
- Chemical, Biological, Radiological, Nuclear & Explosive information
- Terrorism Awareness
- Desktop Exercise

This training is cost-free to all attendees. Doors will open one half hour prior to the start of the class, so please arrive early to enjoy the refreshments and meet the instructors.

Seats are limited. For reservations contact Captain Jerry Nankervis at 586-0682 or jnankervis@juneaupolice.com.

Any charges reported in this press release are merely accusations and the defendants are presumed innocent unless and until proven guilty.
