## INFORMATION RELEASE

**Subject: Traffic Hazard/Road Closure**

**Date: 12/22/10**

**From: Officer Cheshire**

**Case or Incident # 2010-047516**

### Summary:

**On 12/21/10, at 8:07 p.m., The Juneau Police Department received multiple reports of several pallets in both of the inbound lanes of Egan Drive, in the area of Twin Lakes.**

**JPD Officers arrived on scene and saw debris in the roadway which covered both lanes of travel for approximately 50 yards. The debris had already caused several vehicles to sustain possible flat tires. No one was injured.**

**Both inbound lanes of Egan Drive, from the Vanderbilt intersection to the Hospital intersection, were closed for approximately two hours while personnel from the Department of Transportation cleared the roadway.**

**JPD would like to take this opportunity to remind drivers to make sure their cargo is secure before driving to ensure it does not shake loose during travel.**

All factual allegations contained in this release are based upon preliminary investigation and are subject to change or clarification as the investigation continues. Any charges reported in this release are merely accusations and all persons named in this release are presumed innocent unless and until proven guilty.
